

## Practical information

### **Covid Certificate and advice to travelers from abroad**

Following the latest sanitary measures ordered by the Swiss Confederation, the presentation of a Covid Certificate recognized in Switzerland is mandatory (from 16 years old) from September 13, 2021 to access our facilities (thermal baths, hotel, restaurants and bars). This measure does not apply to our Wellness Area (for massages and treatments in particular).

#### **Information and checks before you come**

Before coming, we advise you to find out whether your Covid Certificate is valid in Switzerland and to make sure that it is recognized by the QR code control application "COVID Certificate Check".

#### **Covid test centers nearby**

If your Certificate is not or no longer valid, we invite you to get tested free of charge (until September 30, 2021), in one of the vaccination centers in the region. You can make an appointment at the nearest center, at the Hospital of Martigny, via this link <https://www.hopitalduvalais.ch/fr/coronavirus-covid-19-informations.html> or by phone from 11am to 12pm, at 027 603 19 68
